You will see all of the classes in "leathercraft." You will need to pick the correct class from the section. In this example, "Mark" is in *Leathercraft Unit 10 (Sewing Leather)*. Because he is 16 years old he will need to enter "Class 2030 Sewing Leather Sr." You will need to know the project you are enrolled. If you enter the wrong class your entry will be rejected and you will need to reselect the correct classes.

If you are asked for "quantity" please select "one" -- while you might be able to enter more than one class, you cannot enter more than one project per class. You may need to scroll back to the top of the page to click the "continue" button

Next, you will create your entry

## Review your selections
