GENERAL CONTEST RULES:

The Dog Trials will be held Tuesday, July 26, 2022. They will be held at the Colorado State Fair Ag Palace, starting with check-in from 9:00 AM and show at 9:30 AM. The Showmanship Test will be held before showmanship classes start. No tests will be given after 10:30 AM

Dates of approved current and effective vaccination of the dog for rabies and canine distemper must be provided on the State 4-H Dog Health Certificate. Each entrant is required to complete the *State Dog Identification on 4Honline* and have it on file in their Extension Office by May 1, 2022.

1. Any Pueblo County 4-H dog project member is required to attend a minimum of one Pueblo County dog training event to be able to participate in the Pueblo County 4-H Dog Show at the County Fair.
2. If a member's dog does not receive Rabies immunizations as required by the State of Colorado for all 4-H Dog Project participants, a certificate from the member's veterinarian stating the reason must be downloaded to 4-H online by May 1, 2022.
3. Proof of Rabies vaccination must come from a licensed veterinarian or the dog is not legally considered vaccinated. If the member's dog receives Rabies immunizations which are given by anyone who is not a Colorado State licensed veterinarian, these immunizations will not be recognized by law should the dog bite someone. Proof of Parvovirus and distemper immunization must be provided in order to show at the Pueblo County Fair.
4. If any youth will need additional assistance during the live show or the showmanship tests an email must be sent to the 4-H Agent within two days of the Pueblo County Fair Dog Show. Day of accommodations will be adjusted as needed with the understanding there will be limitations.

The following information on vaccinations and titers have been provided by veterinarians at Colorado State University:
Recommendations to minimize the chance of infectious disease spread at the County Fair 4-H Dog Show: by Ragan Adams, MAJ DVM Veterinary Extension Specialist, CSU; Dr. Michael Lappin DVM, PhD, DACVIM *

- 1) Bordetella is strongly encouraged but not required.
- 2) Show proof of vaccination for canine distemper virus and parvovirus within 3 years or serum titers indicating proof of effective immunity.
- 3) Current Rabies vaccination certificate. Titers are **not** accepted. **NO EXCEPTIONS.**
- 4) Do not bring dogs who have shown signs of respiratory (sneeze, nasal discharge, or cough), gastrointestinal (vomiting or diarrhea), or skin disease (open sores, crusty skin patches, or increased scratching within 7 days of the show.
- 5) While at the show, keep our dog(s) to themselves, do not share equipment between dogs from different households or kennels.
- 6) Wash hands after handling other dogs and before handling your own dog.
- 7) Question about which reference to use on titers: See AAHA guidance <https://www.aaha.org/aaha-guidelines/vaccination-canine-configuration/antibody-testing-versus-vaccination/>
- 8) CSU Veterinary Diagnostic Laboratory guidance for titer explanation: from Christie Mayo. Canine distemper virus (COY) antibody SN Canine distemper titers of less than 1:2 (<1:2) indicate lack of immunity and susceptibility to infection with the field virus. Titers of 1:2-1:16 indicate limited protection against the field virus.
- 9) Titers of 1:32 and higher indicate probable protective immunity; higher titers indicate better protection.

Canine parvovirus (CPV2) antibody HI Canine parvovirus titers of less than 1:8 (<1:8) indicate lack of immunity and susceptibility to infection with the field virus. Titers of 1:16-1:32 indicate limited protection against the field virus. Titers of 1:64 and higher indicate probable protective immunity; higher titers indicate better protection.

5. **Pueblo County Fair 4-H Dog Show officials and/or Fairboard members** can and will dismiss any entrant or his/her family from the show for any mistreatment of dogs entered in this show. If a question should arise as to what constitutes "mistreatment," **Superintendents, 4-H staff, Fairboard members and/or Pueblo County Fair 4-H Dog Show officials** will meet to decide appropriate action in each case.
6. Any negative behavior on the part of the exhibitor, family members or leaders directed toward any official will result in disqualification and awards forfeited. If there is a question as to the rules or the judging of a

class, adult family members or leaders must approach the Superintendent of that division and **not the judge**. The Superintendents will then take the question to the judge if warranted.

7. Dogs which are deemed to be a danger to people or other dogs can and will be removed from the show grounds and all classes forfeited. This will be determined by a consensus of the Superintendents and **Pueblo County Fairboard**.
8. **Protests – See Rule 9, General Fair Rules.**
9. All entrants will be responsible for clean-up after their dogs. Failure to do so can be a basis for dismissal from the County Fair 4-H Dog Show and/or forfeiture of any placing.
10. Show management will have final decision authority. If needed, show management may request assistance with arbitration from a committee comprised of the show superintendents, the judge (if willing), and the leader and/or agent from county involved (if present).

10.C.) If the clothing has been deemed

inappropriate by a judge or Superintendent, the member can be denied the opportunity to show their dog until the clothing has been changed.
10.D) It is always a good idea to have another person observe you before you go into the ring making sure that the clothing you are wearing is appropriate when bending, stooping or kneeling while showing your dog. If it is not, it is advisable to change clothes

 - b. Qualifying scores are 170 and above in obedience, 170 and above in showmanship and 70 and above in rally. An up-to-date record book must be done and meet all guidelines required by their Pueblo County for State Fair qualification.
5. Each exhibitor may exhibit a different dog in obedience, showmanship and rally provided they meet qualifications (refer to rule C). A member may be entered in multiple Obedience or Rally classes with different dogs, but each member may only enter Showmanship one time.

DOG ELIGIBILITY RULES:

1. After once earning a qualifying score in competition as a 4-H project dog in Obedience or Rally at the State Fair, that same dog is no longer eligible for exhibition in that same division at any following County Fair except Obedience: Grad Novice, Open, Grad Open and Utility classes; Rally Advanced-Excellent and Rally Masters.
2. If a dog has received a qualifying score in Obedience - Grad Novice, Open, Grad Open, Utility, or Rally - Advanced/Excellent at a previous State Fair, they may stay in that same class as a "B" level competitor for as long as they need to complete the training required for them to move up to the next class.
3. A dog with any other rally or obedience title from any national dog association (AKC, UKC, CKC, ASCA, etc.) is disqualified from entering the class for which the degree was awarded, or any lower class, except if that title was won less than four months before the County Fair. If the title was won less than four months before the County Fair Dog Trial, the dog is eligible for entry in the same class. If the dog receives a title more than four months before the County Fair Dog Trial, they must move up to the next class. The exceptions to this titling rule are Obedience – Grad Novice, Open, Grad Open, and Utility; and Rally Advanced/Excellent and Rally Masters.

Rule C Examples:

- Dog is awarded a Rally Novice title at the Terry All Kennel Club show on April 12. County Fair Rally competition is August 25. That is more than 4 months away. The team must move up to Intermediate Rally A in 4-H competition.
- Dog is awarded a Rally Novice title at the Greeley Kennel Club show on August 14. County Fair Rally competition is August 25. That is less than 4 months. The dog may compete in Rally Novice at 4-H competition.

4. No bitch in heat, obviously pregnant or lactating

bitches will be allowed to compete in any classes at the Pueblo County Fair.

5. Dogs in obvious pain from a previous illness or injury shall not be shown. If a dog is injured at a show, that dog will be excused from the ring. Consideration of a dog's physical disability needs to be addressed between the handler and project leader before starting the project. A Pueblo County Fair approved veterinarian or qualified veterinarian technician's decision on doubtful cases will be accepted as final.
6. No dog other than the Pueblo County-qualified dog will be eligible to show or compete at State Fair. Should any problem arise with the dog designated as the Pueblo County-qualified dog, the Extension agent must be notified for any course of action.
7. If the Pueblo County qualified dog in Showmanship is injured or in season, a replacement may be used at the approval of the Pueblo County Fair Superintendent. The replacement dog must fulfill all of the "dog eligibility requirements", must be carried in the member's record book, and must have a health certificate on file with the county office. If requested, the health certificate must accompany the dog to the Pueblo County Dog Trial and be presented to the General Superintendent. If the member chooses to move back to Open Class in their respective age group with a new dog, they must then qualify the new dog to move to the Advanced classes by placing in the top ten at State Fair.
 - B. A Senior member who has moved up by age from either the Intermediate Open or Advanced class may choose to show in Senior Advanced by advice of their leader and taking into consideration the caliber of the member. Some reasons for choosing this move are:
 - i. the member placed Grand Champion or Reserve Grand Champion at a County Fair Dog Show in the Intermediate Division.
 - ii. the member has received Best Junior Handler awards from any national dog club.

GENERAL SHOWMANSHIP TIPS:

1. A brush, comb and a drool rag will be allowed in the ring. No other equipment is permitted.
2. Depending on what you are wearing in the

showmanship ring, use proper kneeling etiquette. If you are in a skirt, it is best to kneel on both knees. If you are wearing pants, it would be appropriate to kneel on only one knee. See 10D in the dress code.

3. Members with smaller breeds will be expected to show their dogs on a table. Judges will take into consideration the size and physical abilities of the handler. For more information, please see the dog project manual "Dog Resource Handbook" from The Ohio State University. A more complete list is available on the American Kennel Club website at www.akc.org.
4. If the member is showing a mixed-breed dog; they should determine what breed their dog most resembles, and show in the manner of that breed. If you have a mixed breed dog, you can go to AKC website and look at different pictures of the breeds of dog to decide which breed your dog looks most like. See the dog project manual "Dog Resource Handbook" from The Ohio State University.
5. No dog tags should be on the dog when showing in the ring. Only the correct equipment for a showmanship class should be used. It is very important that your dog wear tags at all times, except when in the show ring. See dog project manual "Dog Resource Handbook" from The Ohio State University.
6. A showmanship score sheet will be used for 2022. Questions will not be asked in the showmanship ring by judges, but rather by trained volunteers or superintendents in a separate area. Youth will have the choice of either answering these questions verbally or on paper. Youth will have until 10:30 am on Tuesday to answer the questions. The area will be marked where questions will be asked. The format for showmanship score sheets can be found on the Colorado 4-H website at: <https://co4h.colostate.edu/program-areas/state-fair-information/contest-score-sheets/>.
7. A Qualifying Score will be 170 points out of the possible 200 points. Please note: During the Showmanship class each area of judging will be judged throughout the entire class. The score will reflect the member's ability to perform these items throughout the class, and not just one time. For example: the dog should be stacked (either hand stacked or free stacked) upon entering the ring, during the exam, after the pattern, and any time they are in the line-up. The "set-up" score will reflect all of these times when the dog is stacked.

OBEDIENCE

OBEDIENCE CLASS ELIGIBILITY REQUIREMENTS

1. All 4-H obedience classes will be patterned after the latest AKC obedience guidelines whenever possible, except that dog registry with AKC is not required. Some exercises and rules may have been adapted from AKC to better serve the 4-H youth of this program.
2. In all classes except Puppy Class, ten points will be deducted in the obedience classes for the following: strong correcting, disciplining, fouling the ring, excessive barking, leaving the ring, rules violation or showing fear.
3. In all Obedience classes, fouling the ring will be a 15-point deduction. The member will be allowed to finish their run.
4. Handlers entered in B classes will be judged at a higher skill level (handler errors) than handlers entered in A classes.
5. Allowed collars in Obedience classes include: Flat or rolled leather with buckle or snap closure. Flat or rolled nylon collars with buckle or snap closure. Metal choke chain. No halties, gentle leaders, harnesses, or pinch collars will be allowed in the show ring. Collars and leads must be 2 separate pieces. Slip leads are not allowed.
6. The length of your obedience leash should be six feet for all Beginner Novice classes, but may be shorter for all other classes.
7. No dog tags can be on the dog when showing in the ring. This includes name tags, rabies tags, or anything else that hangs from the dog's collar. It is very important that your dog wear tags at all times, except when in the show ring. See dog project manual "Dog Resource Handbook" from The Ohio State University. (Please note the difference between training equipment and show equipment.)
8. If an exhibitor has two dogs in the same class, they must choose one dog for the group exercises. The other dog must be handled by a currently enrolled 4-H member enrolled in the dog project for sits and downs.
9. Each county may enter exhibitors in obedience classes (by a selection procedure most appropriate to its own county program) according to the following quota:

Class 509 Puppy Class:

- unlimited entries per county based on trainer's recommendations. Puppy classes will be for puppies which are not ready for regular obedience classes. The purpose of this class will be to introduce obedience commands to a puppy without the stress of perfection seen in regular obedience classes. This class will introduce the puppy to dog shows in a positive manner, thus setting the puppy up for a life time of enjoyment in the show ring.

1. Handlers will be encouraged to use a reward system of food treats or toys in the ring to reward the puppy during and after each exercise. Double commands (or more) will be allowed. This class will be evaluated more on the handler's skill in training a young dog and dealing with the animal's mistakes than on the skill of the animal when performing the exercises. This will be a NO SCORE CLASS. The score sheet will consist of *Excellent, Good or Needs Improvement* in each of the following areas: Loose Lead Walking; Sit for Exam; Recall; and Down Stay and Serpentine Walking.
2. Loose Lead Walking – This exercise is used to encourage the puppy to feel comfortable and happy on lead while maintaining a distance of no more than two feet from the handler's left side. This does not need to be heel position. Handlers may use bait and toys to keep the puppy in the correct position, and may tell the puppy to sit after a "Halt." Things to be considered in judging include the enjoyment of the puppy, the bond between the puppy and the handler, and the handler's ability to get the puppy's attention back after a distraction.
3. Sit for Exam – In this exercise the puppy is commanded to a sit position. The judge will approach the puppy and examine it. The judge is required to handle the puppy's ears, mouth, and one front foot during the exam, although petting and scratching are encouraged. The purpose of this exercise is to teach the puppy to accept handling from a friendly stranger.
4. Recall – The handler will command the puppy to stay in a sit position and will step just in front of the puppy with his or her toes no more than six inches from the puppy's front feet. When the judge says "Call your dog," the handler will proceed to walk backward no more than six feet while calling the puppy. The puppy should get up and follow the handler in a happy manner. After the six feet has been reached, the handler will command the puppy to sit.
5. Down Stay – The handler will put the puppy in a down. When the judge says "Leave your puppy," the handler will tell the puppy to stay. The handler will walk to the end of the lead, pause, and then immediately walk behind the puppy and back to heel position.
6. Serpentine Walking – The puppy and handler will walk on a loose lead through a serpentine positioned in a straight line. The expectations are the same as for Loose Lead Walking, with the addition of the distraction of the three "posts."
7. After one year of showing in the Puppy Obedience Class: If the member was in their 1st year of obedience training, the team moves into Beginner Novice A Obedience, if the member was in their 2nd year or higher of obedience training, the team moves to Beginner Novice C 1st year.
8. This class can be judged with 4-H members

(scribes) assisting the judge. These scribes must be recommended by their trainers and/or Extension Agent. Scribes are teen leader positions, and the teen scribe must fill out the *4-H Volunteer Information Sheet* in order to be eligible to judge.

Obedience Classes Score Breakdown

The best way to check what is expected in the various classes is to check out the score sheets posted on the State 4-H Website. A guide to what is expected in each class is being written and will be posted on the State website. You may also check on the AKC website for information, but know that 4-H requirements might vary from AKC requirements. The Ohio State Handbook can also be of great help.

RALLY

The Colorado State 4-H Dog Trial will be including Rally Masters as an OPTIONAL class.

Please Note: The Colorado State 4H Dog Program has adopted changes to the Division as were outlined by the American Kennel Club in November, 2017. Please note: Some signs have been renumbered.

All 4-H Rally classes will be patterned after the latest AKC obedience guidelines whenever possible, except that dog registry with AKC is not required. Some exercises and rules may have been adapted from AKC to better serve the 4-H youth of this program.

1. In all classes a **15 point deduction non-qualifying (NQ)** will be administered for the following: strong correction, disciplining, fouling the ring, excessive barking, Consistent tight lead or a sign not attempted by a handler.
2. Classes will be judged at a higher skill level (handler errors) than handlers entered in A classes.
3. Allowed collars in Rally classes include: Flat or rolled leather with buckle or snap closure. Flat or rolled nylon collars with buckle or snap closure. Metal choke chain. No halties, gentle leaders, harnesses, or pinch collars will be allowed in the show ring. Collars and leads must be 2 separate pieces. Slip leads are not allowed.
4. No dog tags can be on the dog when showing in the ring. This includes name tags, rabies tags, or anything else that hangs from the dog's collar. It is very important that your dog wear tags always except when in the show ring.
5. All jump heights will conform with current (as of November, 2017 rules and regulations) AKC height and broad jump recommendations.

6. Each member will be allowed only one run in each class with the dog who has qualified for that class.
7. Walk-throughs will be announced. Youth will not be allowed to walk through the pattern at any time other than the official walk-through time.
8. Please refer to the Colorado State 4-H Dog Project Rally Obedience Rules and Regulations for Exhibitors, Judges and Stewards for complete information.
9. Each county may enter exhibitors in Rally classes (by a selection procedure most appropriate to its own county program) according to the following quota:

The total possible score in team rally is 400. If there is a tie, the tie will be broken by the team with the quickest time. All team members will run the course individually, with the team time running continuously. Time will start when the judge gives the first member of the team the forward command from the "Start" sign. The subsequent dog for each team starts when the previous handler for the team passes the "Finish" sign without an additional command of "Forward" by the judge. Timing for each team will begin when the judge commands the first handler in the team to begin with the command "Forward" and will stop when the fourth handler from the team passes the finish line.
