*In all classes, including 11-13, members may only model *wearable garments* that they have altered or made, not accessories. For example, if a member makes a leather jacket in the leathercraft project, that could be modeled, but just a belt or purse made in the leathercraft project cannot enter this division. Accessories must be entered in the modeling for fun category. This follows the Colorado State 4-H rule.

Awards

1. All exhibits will be judged using the Danish System. For the Danish System, all exhibits are divided in each class into blue, red, white and participation ribbon groups according to quality.

Standards for Ribbons

Blue: Meets requirements, high quality

Red: Meets requirements, average quality

White: Exhibit does not meet all requirements, exhibit is below standard quality, improvement needed

Participation: Cloverbuds (non-competitive), disqualified exhibits, or exhibition only

Within a class, the judge will compare the blue ribbon quality projects to select a champion and reserve champion ribbon.

Champions in each *senior* class (7, 10, & 13) will advance on to State Fair with the exception of

2023 Fashion Revue Contest

modeling for fun. (Modeling for Fun cannot advance on to the State Fair.) First alternates will be reserve champions in that class; second alternates will be at the judge's discretion.

From all of the champions in each class (within an age division – junior, intermediate, senior), Overall Grand Champion, Overall Reserve Grand Champion, and Overall Honorable Mention will be designated – to include classes 2-13. These are similar to judge's choice awards and do not confer eligibility to participate in State Fair.

The Grand Champion Senior winner will become the Junior Fashion Revue Superintendent during the following year's County Fair. The Junior Fashion Revue Superintendent will serve under the guidance and support of the adult Overall Fashion Revue Superintendent. The Reserve Champion Senior will be eligible to take the Grand Champion Senior's place if they are unable to participate.
