

2022 Livestock Show

Livestock E-Record Policy

1. All livestock, poultry and rabbit records must achieve a score of 70% or more to be eligible to show in that project or projects in the following year's Pueblo County Fair
2. Your 2022 E-record score will be used for eligibility to show in the 2023 Pueblo County Fair. If a youth did not drop a project by the project add/drop date of March 1, 2022, the youth is still required to complete a record book to avoid a score of 0% to be eligible to enroll the following year in that project area.
3. Anyone with a learning disability should provide us with a letter from their school Special Education Teacher and special arrangements may be made to grade the e-record.
4. After County Fair all livestock leaders need to provide scores for all livestock books to the CSU Extension office and then bring in the books nominated for best record (one for each age group—Junior, Intermediate, Senior). **These scores and record books will be due in the CSUE office on September 12, 2022 by 5:00 p.m.**

Livestock Test Policy

Every youth must pass a livestock test for each species shown with a 60% or better **EACH YEAR**. Anyone with a learning disability should provide the Pueblo County Extension staff with a letter from their school Special Education Teacher. Contact the office and the appropriate arrangements will be made to take the test.

Two opportunities will be provided for testing on: May 12, 2022 and June 7, 2022.
Questions will be taken from the 4-H manuals.

Livestock Ribbons

1. All market, breeding, dairy and showmanship classes will be placed first through tenth place with ribbons for each place. Any place after tenth place will receive a participation ribbon.
2. Feeder and overweight classes will get ribbons based off their species department rules.
3. All market, breeding and dairy division champions will receive a single streamer champion and reserve champion ribbons. If there are no divisions, the first place in each class will be given a champion ribbon, and each second place will be given a reserve champion ribbon.
4. Overall grand and reserve grand champion market, breeding and dairy animals will receive rosette ribbons.
5. First place in each showmanship age group (junior, intermediate, senior) will also receive a grand champion ribbon and second place will receive a reserve grand champion ribbon.
6. Other class awards and ribbons may be given at the superintendent's/judge's discretion.

General Livestock Rules for all 4-H and FFA Members

1. To be eligible to participate in the Pueblo County Fair in any livestock species, the youth must be active and in good standing 4-H and/or FFA members in the County of Pueblo and currently enrolled in the project prior to the March 1st add/drop project deadline. (see enrollment policies in the Pueblo County 4-H policies).
2. All bedding used during the Pueblo County Fair must be purchased from the Pueblo County Fair board.
3. The livestock barns will open at 6:00am and be closed at 9:00pm unless the Pueblo County Fairboard or a superintendent makes an exception.
4. Each 4-H/FFA member enrolled in beef, dairy, goat, sheep, swine and poultry must have a Premises ID Number to exhibit at the Pueblo County Fair. Premises ID Numbers are due to CSUE no later than June 1, 2022. You must register with the Colorado Department of Agriculture to obtain a Premises ID

2022 Livestock Show

Number. Those asking for exemption must meet with the Fair Board and decisions will be made on a case by case basis.

5. Only FFA members that follow 4-H age guidelines will be allowed to show at the Pueblo County Fair.
6. Exhibitors are limited to no more than 5 entries in the market section of beef, sheep, goat, or swine.
7. The superintendent may create a new class not listed in this premium book for any breed class if there are at least 5 entries of that breed. These new classes will be posted with the other classes at the time of that species' show.
8. The superintendent has the responsibility and authority to step in if safety problems occur.
9. The department superintendent(s) have the responsibility to divide market classes by weight.
10. Pueblo County Fair exhibitors will have 2 hours of access to the scale the night before the official weigh-in. Weight limits on market beef, sheep, goat, and swine will be adhered to. There will be no reweighs unless the superintendent deems that the scales were not working. If scale deemed not working, animal will immediately reweigh before returning to pen.
11. If a superintendent has a family member who is a 4-H/FFA youth showing an animal in that species category then the Overall Superintendent or approved Fairboard member will assist in breaking classes after the County Fair weigh-ins are completed.
12. All market goats, cattle, swine and sheep must be clipped and sheared prior to the start of the official weigh-in at County Fair. The Superintendent can also require exhibitors to clean or dry any animals before weighing-in. Fine tune clipping will be allowed after weigh-in.
13. All animals must be individually owned by the exhibitor. Proof of ownership is interpreted as a bill of sale. Ownership papers must be presented at the time of weigh-in. If the animal was raised by the family, a signed statement by the owner of the mother cow or registration papers if it is registered will constitute proof. Exhibitor must provide full care and management for the majority of the time.
14. No youth ages 5-7 will be allowed to exhibit animals in the 4-H and FFA Competitions. Youth ages 5-7 may participate in Open Class Pee Wee Shows.
15. Only active Pueblo County 4-H and FFA members will be allowed to show another exhibitor's extra animals if the exhibitor has more than one animal in a particular class. No non 4-H or FFA individuals can assist. 4-H/FFA members may ask another 4-H/FFA member to assist in showing their animal with proper notification to the superintendent if deemed necessary for the safety of the child. 4-H and FFA members are expected to show their own animals at County Fair.
16. All exhibitors will be expected to perform normal upkeep of pens and stalls. Any exhibitor who does not feed, water, and clean their animal pens in the livestock barns will receive a verbal warning, but if the problem is not corrected in a reasonable time, the exhibitor may be disqualified, meaning all ribbons and awards will be forfeited and the member will be ineligible to participate in the Showcase Sale.
17. Any complaints or concerns regarding the caretaking of livestock must be directed to the ~~department~~ species superintendent. Under no circumstances should exhibitors feed, water or move another exhibitor's animal without the superintendent's approval. Any exhibitor caught tampering with another exhibitor's animal for any reason will be subject to disciplinary action by the show superintendent and/or the Pueblo County Fair Board.

2022 Livestock Show

18. All animals must be free of contagious or infectious diseases and in good condition. All cattle, sheep, goats and swine MUST be accompanied by an official Health Certificate issued within 30 days prior to stalling at the fair. Each animal must be individually identified on the certificate.
19. All animals on the fairgrounds will be subject to examination. Any animal suspected of any health concern will be brought to the species superintendent and an examination will be done by a veterinarian.
- Any animal found showing evidence of infectious, contagious or communicable disease may be immediately isolated and the owner be required to seek the advice of a veterinarian at their own expense. Based upon the determination of the veterinarian, the animal in question will either be allowed to show in the fair or will be immediately removed from the fairgrounds.
- A. Ringworm: Upon examination by a veterinarian, if the ringworm is red and inflamed, the animal will be sent home. The youth may complete the project even if the animal goes home by completing the e-record.
- B. Vesicular Stomatitis (VS) - If there is confirmed VS in the county, health certificates will be required at County Fair, with 48 hours advanced notice. Check with the CSUE office or your veterinarian this summer to verify the VS status.
20. Only an animal's owner (a Pueblo County 4-H/FFA member) should prepare their project animal when it is being exhibited at a county fair or 4-H show. If assistance, for safety, multiple animals or educational reasons, is needed, assistance may be provided by the parent, another Pueblo County Colorado 4-H/FFA member, or a Pueblo County 4-H leader/FFA Advisor. It is recommended that another Pueblo County 4-H/FFA member be the first choice for assistance to a junior member. If assistance is provided, the 4-H/FFA member enrolled in the project must be present.
21. Compliance with all Colorado laws prohibiting tampering with or drugging of livestock and/or sale of adulterated meat is mandatory for any 4-H/FFA member and/or family member enrolled in a 4-H/FFA animal project. If legal charges are brought against any member/family, the member/family will be suspended from participation in all Pueblo County Fair livestock activities pending resolution of those charges. Additionally, penalties may be implemented by the respective 4-H agent/FFA advisor.
22. The following are termed unethical practices and any violation of the following rules will automatically result in disqualification with no recourse:
- A. Doctoring, tranquilizing or injecting show animals or body "fill-ins" or the alteration, changing, defacing or any modification of the markings of show animals and the anatomical structure of an animal.
- B. The removal, alteration, changing or purposely rearranging ear tags.
- C. External applications of such things as liniments and blistering agents that would cause an edematous condition; use of ice packs or other refrigerants to alter the quality of finish of an animal.
- D. Altering the natural color of the animal using any artificial coloring. However, products that match the animal's natural color may be used in the fitting process from the knees and hocks down and on the switch only. (For example, black products may be used on black-legged Steer/Heifer, red on a red-legged Steer/Heifer, and white on a white-legged Steer/Heifer). Any grooming material on any other part of the body not mentioned (artificial color evidenced by rubbing with a cloth or glove) will not be permitted.
- E. Adding an artificial tail head or tail fin, artificial poll, or any hair or hair-like substance.
- F. The showing of livestock of any ineligible age or showing unethically fitted livestock. Unethical fitting will be deemed to consist of any method, which alters the natural conformation of any part of the animal's body.
23. All livestock exhibits must have an identification sign displayed on or near the stall or pen. Signs will be available. The Overall Livestock Superintendent/Fairboard designee will map stalls and youth will be responsible to sign name to the appropriate stall(s) they are using and ensure the pens are cleaned following release of animal(s).

2022 Livestock Show

24. Contestants must use their own animals in all showmanship classes.
25. Market beef, sheep, goats, and swine are required to be owned by the exhibitor and weighed and tagged at a scheduled weigh-in date. Swine will not be pre-weighed, but must be ear tagged, with the County Fair tag and must submit a nomination form and three required pictures in 4HOnline by the ownership/nomination deadline.
26. If an ear tag is lost between initial weigh-in and the County Fair, the lost ear tag number must be reported to the CSUE before fair weigh-in time. If lost ear tags are available, they should be taken as evidence of initial tagging. Animals with missing tags will be checked at weigh-in and another tag issued.
27. All market livestock (beef, sheep, swine, goat) members will be required to sign a wholesome meat disclosure form to be submitted to **species superintendent** immediately after County Fair weigh in for market animals.
28. All livestock (beef, sheep, swine, goat, rabbit and poultry including market, dairy, and breeding) members must attend a MANDATORY Colorado 4-H Meat Quality Assurance Workshop the first year they show livestock as a junior or intermediate 4-H member and again the first year they show as a Senior 4-H or FFA member. See Colorado's 4-H MQA Requirements on **page 13 and 14** of the Colorado Youth Development Policies here: <http://co4h.colostate.edu/policy/4H-Policy-Handbook.pdf>

The Colorado 4-H MQA training must be completed prior to June 1 of the current 4-H year.

The Pueblo County Extension Office offers two Colorado 4-H MQA trainings prior to the Pueblo County Fair. If you are unable to attend one of these two trainings, you may attend the training of another county. Proof of attendance at another county's Colorado 4-H MQA training must be on file at the Pueblo County CSU Extension office by May 1 of the current 4-H year.

29. All market livestock (beef, sheep, swine, goat, and poultry) breeding poultry **and Round Robin eligible livestock** must remain on the premises until the completion of the Showcase Sale. Lactating dairy animals, breeding cattle, breeding goats, breeding sheep, and pigeons/game birds will be released immediately following their show.
30. Arrangement for animals with special housing needs must be addressed with the department superintendent prior to the County Fair.
31. All male animals excluding rabbits & poultry participating in every species' market classes of the Pueblo County Fair must be fully castrated. Castration incisions must be healed by the time of the show. Any male animal that is considered Cryptorchid will not be allowed to participate. When purchasing market animals, you need to make sure your animal is not cryptorchid. The Pueblo County Fair officials will disqualify any cryptorchid animal from all awards, including premiums. The carcass may be condemned or sold at a discounted rate. Most breeders selling 4-H animals will guarantee their stock, but you should check when purchasing. Premiums will go back to the sale committee for final disposition.
 - A. Cryptorchid: A defect in the male animal when the testicle fails to descend through the inguinal ring and reside in the scrotum. During castration, if one testicle is missing, this is a likely reason. If detected early enough, it can be corrected by a veterinarian.
32. Meshed or plastic muzzles may be used on sheep and goats. The muzzle style must allow the animal to drink water.

2022 Livestock Show

33. Drenching will be allowed for the health and welfare of the animal at the exhibitor's risk. If you need help, contact your species superintendent for additional advice or information.
34. Superintendents have the right to create other classes within their departments.
35. Scrapie surveillance pertaining to sheep and goats:
Federal Law requires premise ear tag that lists their flock of origin and identification for the following:
 1. All sheep and goats over 18 months
 2. All sheep and goats that are sexually intact for show or exhibition
 3. All breeding sheep, breeding goats, and dairy goats regardless of age
34. If an exhibitor would like to scratch an animal prior to the final drive, the exhibitor must inform the species superintendent within five minutes of the end of the last class of the show prior to the final drive (however, there is no time limit for medical reasons). The exhibitor who withdrew their animal will keep their ribbon for the class they completed. All others below the withdrawn animal in the class will move up for the purposes of the final drive.
35. Any animal deemed unsafe by the respective superintendent can recommend removal from the Fairgrounds by order of the Fairboard.

Live Ultrasound Contest

1. Sheep, swine and goats that make weight are eligible for the live ultrasound evaluation contest.
2. Cost will be shared between Pueblo County and the exhibitor.
3. Data will be collected by ultrasound technicians on **Tuesday, July 26, 2022** from 6:00 a.m. to 12:00 noon in the barns. It is exhibitor's responsibility to bring beef, swine, goats and sheep to the ultrasound.
4. Ultrasound evaluation results and contest awards will be given **during the Mandatory Showcase Sale meeting at 9:00am on Friday, July 29, 2022.**
5. Market beef will be judged by the separate carcass contest or ultrasound if available.

4-H Supreme Livestock Champion Exhibitor

1. The Supreme Livestock Champion Exhibitors will be announced at the Pueblo County 4-H Achievement Night.
2. Supreme Livestock Champion will be selected from a combined placing in four categories: written test (first test score only, must score 80 or higher to qualify); highest e-record score (must receive score of 80% or higher to qualify); placing in the showmanship class; and the placing of the animal in its show ring class.
3. The Supreme Livestock Champion Exhibitor will include a separate age division for Juniors, Intermediates, and Seniors.
4. It is not mandatory that members participate in the Supreme Livestock Champion Exhibitor Contest.
5. Each 4-H member who is showing more than one animal will be allowed to take the top score or best score regardless of species. Top scores may involve different species in different categories. The following species: Market Beef, Breeding Heifers, Market Swine, Market Lamb, Breeding Sheep, Dairy Cattle, Dairy Goats, Fiber Goats, Market Goats, Breeding Market Goats, Breeding and Market

2022 Livestock Show

Rabbits, Breeding and Market Poultry, will be included in the Supreme Champion Exhibitor contest. Feeder classes will not be counted.

6. Only livestock shown at County Fair will be included.
7. Scoring will be based on the following system and the winner will have the highest combined score:
 - A. Written Test: Must take the current year's test to qualify. Score will turn into points, i.e., 88% = 88 points Total Points Possible: 100
 - B. Record Book: Record Books will be turned in by contestants for review by committee or designated judge. Only the initial record book score will be used. Percentage will turn into Points, ie. 85% = 85 total points, Possible: 100
 - C. Showmanship: Points will be based on placing as follows.

Place	1	2	3	4	5	6	7	8	9	10	Below 10
Points	100	97	94	91	88	85	82	79	76	73	65

Points	100	97	94	91	88	85	82	79	76	73	65
 - E. Tie Breaker: If a tie occurs, oral interviews will be used to break the tie.
 - F. No extra points will be given for Round Robin winners, Grand Champions or Reserve Champions.

4-H & FFA Herdsmanship Award

Objective: To award those exhibitors who take pride in the ownership and showing of their livestock projects and who provide an exemplary demonstration of animal herdsmanhip, animal safety and animal environment. This award will go above and beyond the expected normal upkeep according to Livestock Rule #14, and does not replace Rule #14 under the section "General Livestock Rules for All 4-H and FFA Members".

1. Herdsmanship, which insures a safe and healthy environment for the 4-H/FFA livestock projects, is an important part of the 4-H/FFA livestock experience. The work and effort involved in maintaining the livestock's' environment while at the Pueblo County Fair demonstrates the dedication of a 4-H/FFA member to his or her livestock and represents a positive image of the livestock industry to the public and community.
2. Market Beef, Market Goat, Market Sheep and Market Swine project exhibits will be observed several times daily during the periods that the projects are required to be housed on the show grounds. Each 4-H/FFA exhibitor will receive a daily average score in each species and awards will be given based on the final accumulated score average. Herdsmanship duties are the responsibility of the exhibitors rather than the parents, club leaders, or superintendents.
3. Scoring Guidelines
 - A. Animals clean at all times with stalls and pens showing evidence of having been tended to during the day.
 - B. Animals adequately cared for with proper feeding, proper bedding and adequate feeding equipment.

2022 Livestock Show

- 1) Animals safely penned and properly housed with blankets, muzzles, feed/water equipment safe and secure in pen/stall area.
 - 2) Stalls/pens and alley area in front of stalls/pens must show evidence of daily cleaning.
 - 3) Tack, equipment, grooming, and supply area is/are clean and neatly arranged and stored when not in use.
 - 4) Cords and grooming equipment are not cluttering the alley.
- C. Exhibitor(s) Name Sign and Herdsmanship Number Card in place and clearly identifying stall/pen area.
- 1) Exhibitor Name Cards are exhibitor responsibility and a fair rule. (Livestock Rules #21)
 - 2) Herdsmanship number cards will be provided. Siblings/family who house species together can be considered one exhibitor.
 - 3) Exhibitor responsibility to secure cards to pen/stall area.
- D. Courtesy, Responsibility, and Conduct
- 1) Proper showmanship (courtesy and conduct) at all times and in all places while interacting with the community, public, and other exhibitors.
 - 2) 4-H/FFA exhibitors are doing the herdsmanship.
4. Non-essential equipment or materials is permissible if complying with fair guidelines and rules for showing but is NOT encouraged and NOR will it be considered in the Herdsmanship scoring. Herdsmanship begins at the time of arrival and ends when livestock projects are released from the fair grounds. The barns (stalls/pens) may be checked at any time between 7:00 AM and barn closing.
5. Scoring
- A. Judges will score in one species at a time and that can happen between 7:00 AM and barn closing.
 - B. There will be several judges throughout week.
 - C. A spreadsheet will be kept with score by herdsman number.
 - D. There will be a daily score of up to 20 points. There will be four evaluated categories with each being worth 5 points. Judges may use $\frac{1}{2}$ (.5) point scoring but nothing else.
6. Awards
- A. 4 winners (1 in each large animal species)
- Winners will be announced during the Showcase Sale awards ceremony.

Entries:

1. Project entries will consist of:
 - a. A display board illustrating a topic investigated during the project year. The standardized display board size of 4 ft x 3 ft is to be used with 4-H projects. No additional items may be included in front of the display board.
2. The project will be evaluated on the quality of information on the display board.
3. Member's name, age division and Project area should be written/typed neatly on the back, top right of the display board.
4. Only 1 Display Board per project will be permitted (1 Turkey Display Board if enrolled in the Turkey Project, 1 Chicken Board if enrolled in the Chicken Project, etc.)

2022 Livestock Show

5. The Display Board topic can be on any topic directly related to the 4-H project area, and/or covered in the Poultry Resource Handbook, found here:
<https://co4h.colostate.edu/projects/manuals/Poultry-Handbook.pdf> .
 - a. The following suggestions are ideas for the development of a display board. 4-H'ers are not *limited* to the topics mentioned, but topics must be division-level appropriate in topic and complexity.
 - i. **Junior** - breeds and origins, care of animals, anatomy, common predators
 - ii. **Intermediate** - feed and digestion, identification, behavior, diseases, animal safety
 - iii. **Senior** - breeding and selection, biotechnology, careers, parasites, bird showing
6. Accuracy, efficiency, and ease of communication should be the main criteria in designing display boards. Secondary criteria include aesthetic appeal and variety (such as mixing graphs with tables, use of color, etc.). Some helpful suggestions are:
 - a. It should be possible to read and understand a display board within 5 to 10 minutes.
 - b. Titles and conclusions should quickly and effectively communicate the key information of your project topic.
 - c. Graphs, tables and photos where appropriate, are preferred means of communicating data.
 - d. Items should be well-affixed to the display board with glue. A rubber cement type glue is preferred.
7. All display boards *must* include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board. A judge is not to discredit an exhibit for the manner in which references are listed.
8. Poultry Display board judging will occur **Tuesday, July 26 starting at 10:30 AM.**
9. The decision of the judge is final.
10. Only clerks and show officials will be allowed in the aisle during judging.
11. Awards ceremony will follow Display Board Judging.

PLEASE SEE THE FOLLOWING PAGE FOR DISPLAY BOARD GUIDELINES

2022 Livestock Show

Display Board Guidelines for State Fair 4-H Exhibits

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

Follow these guidelines to create a display board for the state fair.

SHAPE
Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.

SPACE
Your display should only discuss one main topic. This will help it look neat and uncrowded.

TEXT
Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

ATTACHMENTS
Make sure pictures and objects are securely attached to the board. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can't stand or fold.

SIZE
Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers. No part of your display may extend beyond these boundaries.

2022 Livestock Show

OVERALL ROUND ROBIN LIVESTOCK SHOWMANSHIP CONTEST

Clinic: July 29, 2022 3:00 p.m. - 5:00 p.m.

Judges Orientation: July 30, 2022 7:30 a.m.

Contest: July 30, 2022 8:00 a.m. Livestock Pavilion

1. Members may win Overall Grand Champion Junior Showman, Overall Grand Champion Intermediate Showman, and Overall Grand Champion Senior Showman in the Round Robin Contest.
2. All exhibitors will receive certificates of merit in addition to the Grand Champion and Reserve Grand Champion Showmen receiving buckles.
3. Members may win overall grand champion in junior or intermediate classes as many times as merited.
4. Overall Grand Champion Senior Showman has the option to become a junior superintendent of the contest the following year and will be ineligible to compete that year. After skipping a year, they are eligible to compete, if still 4-H age.
5. The Round Robin High Point Winner is eligible to participate in the Colorado State Fair Master Showman Contest. If the High Point Winner is unavailable, the next highest placing will be eligible.
6. Judging will be accomplished by using appropriate score cards for each animal shown. Judges will rank exhibitors 1-14, with the lowest score winning. Example: 1st = 1 point, 2nd= 2 points, 3rd=3 points, etc.
7. Exhibitors winning the right to compete in the Round Robin should get a specific instruction booklet from the Round Robin Superintendents with the details of the contest.

Contest Rules

1. The Round Robin Showmanship Contest will be divided into three shows: junior, intermediate, and senior.
2. Each show will consist of showmen as picked from the following departments: Beef Cattle, Dairy Cattle, Dairy/Fiber Goats, Meat/Breeding Goats, Horses, Sheep, Swine and Dog.
3. Each of the named departments will be responsible for conducting their respective junior, intermediate, and senior showmanship contests prior to the Round Robin Contest.
4. Any competitor winning a position in the Round Robin who has additional livestock to be shown will declare his/her preference if (s)he wins in two departments.
5. Contestants must use the same animal that won the species showmanship contest in the Round Robin with the exceptions outlined below.
6. All necessary safety precautions will be taken to maximize the well-being of all participants. If any animal is considered a threat to the safety of the showman and/or the spectators, the Round Robin superintendent is to be notified and the following rules will prevail:
 - a. If any animal is considered a threat at the time of showing, the owner will show the animal initially for proper cleanliness, grooming, clipping, and condition of the animal and proper dress and appearance of the showman. At the end of this phase of competition, a substitute animal will be brought in for the remainder of the show.
 - b. If an animal is deemed unruly by the superintendent or judge, a substitute animal should

2022 Livestock Show

be brought in immediately. In the event that an animal is substituted halfway through the competition, the youth that showed previously will have an opportunity to be judged again using the new animal.

- c. A substitute animal will be selected by the Round Robin Superintendent, the Round Robin Judge from the respective department, and a third person so designated by the Extension personnel.
